

Dear Caterina,

Thank you very much for your letter. How are you? I am fed up with school and books...

This is my typical day. I get up at 7.00 and I have a shower.

After breakfast I go to school by bus with my friends. School starts at 9 a.m. and finishes at 4 p.m. We don't go to school on Saturday. Do you go to school on Saturday?

In the afternoon, after homework, I phone my friends or read. I go swimming twice a week, on Monday and Friday.

In the evening I have dinner at 7.00. After dinner I go out with my friends, but only in summer time. I go to bed at 9.30.p.m.

I hope you will write very soon.

Bye bye

Annie
