

HALLOWEEN

Halloween is on 31st October. Children take a big orange pumpkin and they carve out scary eyes, a big nose and a scary mouth.

Then they put a candle inside in. This pumpkin is called Jack-o-Lantern.

Children also dress up as ghosts, witches and vampires and go from house to house. They say: - Trick or treat?

Now it's DARK
DARK, DARK

but....

there is something
very  bright

it's a yellow,  scary
