

A WITCH'S SPELL - RHYME

I've got a big silver pot.
I've got leopard's spots.
I've got a silver spoon.
I've got a beam of moon.

It's time to tell
my fearsome spell!

I've got bat's ears.
I've got snake's tears.
I've got frog's eyes.
Everything's ready for my surprise.

It's time to tell
my fearsome spell!

Read the rhyme. Draw a pot and the ingredients of the recipe.

Now write the rhyme in the negative form.

I haven't got a big silver pot.
